## 1. CHURCH TIME

There are two steps in this lesson:

1. When we read the Bible it feeds our spirit man.
2. We need to be ready for the devil's attacks.

## 2. BIBLE TIME

### READ:

- 1 Peter 2:2

### MAIN POINT:

*When we read the Bible it feeds our spirit man. We need to be ready for the devil's attacks. When someone gets born again, they are a baby Christian and a target for the devil. How do you get ready for the devil's attacks? By reading the Bible and by speaking God's Word out loud.*

### DISCUSS:

- Our body needs food to grow. The food our body needs are vegetables, fruit, meat etc.
- Our spirit needs food to grow also. The Bible is what our spirit man needs.
- When we read the Bible our spirit grow strong.

### QUESTIONS TO ASK:

1. What is your favorite food to eat?
2. How do we feed our spirit? (read the Bible)
3. How do we make our spirit strong? (read the Bible)

## 3. FAMILY TIME

### READ:

Ephesians 6:11

### MAIN POINT:

When we become a Christian we also become a target for the devil, but we fight him with the Bible.

### WHAT YOU DO:

- If your children do not have Bibles that they can read and understand make a trip to the local Christian bookstore.

### DISCUSS:

- Talk about how reading God's Word will strengthen our spirit man, so we can fight the devil.

- The devil will attack us with sickness, fear, doubt, unbelief etc.
- If you are struggling with something like this, then you find scripture or Bible stories that strengthen your faith.

### QUESTIONS TO ASK:

1. Ask if there is anything that anyone is struggling with right now?
2. Then find Bible scriptures and stories that your children can use to fight the devil with.
3. For instance: if they have symptoms of sickness, find a scripture or Bible story about healing.
